ABOUT US

Blacks in Technology Australia (BIT Aus) is a non-profit organisation that is dedicated to promoting diversity and inclusion in the technology industry. Our mission is to empower black professionals in the tech sector by providing networking opportunities, training, and career development resources.

We are a community of professionals, entrepreneurs, students, and enthusiasts who have a passion for technology and its potential to create positive change in our society.

Our community is currently 730+ in Australia, 15k+ globally and growing. It is vibrant, diverse, inclusive, and we welcome anyone who wants to join us in our mission.

Our goals as an organisation are to:

- Promote diversity and inclusion in the tech industry
- Help current and aspiring black professionals succeed in their careers
- Provide a platform for learning, networking, and collaboration
- Foster innovation and creativity in the tech sector
- Create a sense of community and belonging for our members

Our key offerings include:

- Professional development opportunities
 - Career coaching and mentoring
 - Networking events and workshops
 - Access to job opportunities and recruiters
 - Advocacy and support for diversity and inclusion initiatives
